The Gospel of

6:22 -

71

A dramatic sunset or sunrise over the ocean. The sun is a bright, glowing orb in the center of the frame, partially obscured by dark, textured clouds. Intense rays of golden light radiate from the sun, creating a starburst effect. The light reflects on the dark, choppy surface of the water below, forming a shimmering path that leads towards the horizon. The overall color palette is dominated by deep blues and blacks of the sky and sea, contrasted with the warm, golden yellows and oranges of the sun and its light.
